ABOUT ME

My name is Lukas and I recently graduated as Web developer from the Roskilde Technical School in April 2020. I am 26 years old and I live in Frederiksberg, Copenhagen, together with my girlfriend and son.

LUKAS MARK JAKOBSEN CV

MOTIVATION

My passion for web developing stems from my motivation to create as beautiful and user-friendly home pages as possible. I am a service minded, detail-oriented and helpful team player who also enjoys and feels comfortable working individually.
